Snorkel & Kayak Tour Itinerary

Your morning will begin at the Island Packers ferry dock for check-in at 7am (8am departure time) unless you are already camping on the island. You'll want to look for Channel Islands Adventure Company guides just outside of the Island Packers building. Your guide will have your tickets. Detailed driving directions will be sent upon booking in your confirmation email. The ferry ride is generally 1-1.5 hour(s) depending on wildlife sightings. **Meeting time on the island is 9:30am.** We provide a basic paddling instruction/safety talk and distribute all necessary gear before hitting the water around 10:15am. Afterward we will paddle towards either east or west of Scorpion Anchorage and explore nearby incredible sea caves and kelp forests. Next we'll provide a basic snorkeling instruction/safety talk and distribute all necessary gear before hitting the water again. The guided snorkel tour will then begin and continue for about 45 minutes.

Your tour will conclude around 2:30–3pm. After returning to the beach, you will then have until the ferry picks you up to explore the island (your ferry captain or guide will tell you your pick-up time).

do so.

YOU MUST PURCHASE A FERRY TICKET TO GET TO THE ISLAND. You can do this through our checkout when you book online or book directly with Island Packers. For the Snorkel & Kayak Tour, you must book the 8am ferry departure (7am check in) and 4:30pm ferry return.

If camping, ferry tickets must be purchased directly with Island Packers and the campsite should be booked through [Recreation.gov](#). For more information on camping, check out our blog [Guide to Camping on Santa Cruz Island](#).

Interested in a longer kayak, snorkel and camp trip? We can organize trips up to 5 days in length. Please call us for prices and options.

FERRY CHECK-IN TIME

Times vary by day & tour. Please see your confirmation email for the correct check in time. Your check-in time is calculated to allow ample time to park and unload gear at the dock. Island Packers, the ferry boat service, will depart on time so your check-in time is important—much like an airplane flight. If meeting your guide at the dock, you'll locate your guide in front of the Island Packers building (they will be wearing CIACo gear). They'll have you fill out your paperwork and you'll receive your boarding passes. You'll be disembarking the boat at the first stop, Scorpion Anchorage/Ranch.

HOW TO AVOID SEASICKNESS

- **Rest.** A body that is well-rested is better able to handle the stressors associated with traveling.
- **Stability.** Avoid sitting inside in the galley; choose a seat on the lower deck, outside, at the stern of the boat.
- **Sit.** Do not stand. Standing will have your body in a constant state of trying to maintain balance.
- **Focus.** Keep eyes focused on the horizon or on a stationary object that is off in the distance.
- **Don't read.** Reading can trigger a sudden onset of motion sickness.
- **Don't travel on a full or empty stomach.** If you start to feel ill, eat some crackers and a carbonated beverage to settle your stomach.
- **Hydrate.** Dehydration while traveling can aggravate motion sickness. Drink plenty of water.
- **Dramamine or Bonine.** Take an over-the-counter medication for motion sickness or an over-the-counter antihistamine, especially if you are a person that knows they are susceptible to motion sickness. These medications can make you drowsy or cause other side effects so use with caution.
